3345

Orange Cut, 6 inch, Velcro

Characteristics

High-Performance abrasive on foil for the Professional body shop. Extraordinary long life. With an Excellent Finish.

Orange Cut is innovative and a multi-purpose product composed with ceramic grains.

- Ensures fast and equal long cutting
- Perfect result.

P 60-240 Ceramic,
 P 280-1500 Ceramic mix

The stearate layer reduces the clogging and improves the lifespan of the product.

Tech Tip

Use until the colour changes completely.

Sizes

- 3345.0060 (P60)
- 3345.0080 (P80)
- 3345.0120 (P120)
- 3345.0150 (P150)
- 3345.0180 (P180)
- 3345.0220 (P220)
- 3345.0240 (P240)
- 3345.0280 (P280)
- 3345.0320 (P320)
- 3345.0400 (P400)
- 3345.0500 (P500)
- 3345.0600 (P600)
- 3345.0800 (P800)
- 3345.1000 (1000)
- 3345.1200 (1200)
- 3345.1500 (1500)

Technical Data

BACKING	POLYESTER FILM
GRAIN	CERAMIC
Backing	Film / Velcro disc
BONDING	DOUBLE RESIN
COATING	Open
STEARATE	Yes
GRIT	P60 - P1500
Colour	Orange
Holes	21

Storage and Transportation

Storage temperature: + 20°C / ± 10°C
